LINKademy Endo-Model Training of Excellence Level 3 Course

Ladies and Gentlemen,

The LINKademy Endo-Model Training of Excellence offers you the opportunity to practice and improve the implantation of the LINK Endo-Model Standard and Modular.

We are pleased to invite you to this interactive workshop, which will proceed in the Hospital Universitario Fundación Jiménez Díaz and Hospital General Universitario Gregorio Marañón in Madrid, Spain.

We will work in a small group to allow healthy discussions and exchange of ideas with an interactive combination of theory and live surgeries.

Objectives of the meeting

The aim of this Endo-Model Training of Excellence is the fine tuning of techniques of already experienced revision surgeons. The interactive set up of the course gives the surgeons the opportunity to exchange and deepen their knowledge in discussions with the faculty.

Target group

This course is designed for experienced users who would like to deepen their theoretical and practical knowledge.
